Dear Doctor,

We are pleased to invite you to a **Continuing Medical Education (CME) program** conducted by the expert spine specialist team, **“We Are Spine” from Mumbai.**

The session will be led by **Dr. Shekhar Bhojraj, Senior Spine Surgeon and Founder of We Are Spine**, along with his team of specialists, and will focus on advanced approaches in spine deformity and scoliosis management.

Date : Saturday, 4th July 2026

Venue : Hotel Fortune, Miramar, Panaji, Goa

Time : Registration - 6:30 pm onwards

CME - 7:00 pm onwards

We would be honored by your presence and participation in this academic session. This CME is being conducted as part of our ongoing efforts to enhance spine care services at Healthway Hospital, including the introduction of a **Super Specialty Spine Deformity and Scoliosis Clinic** in collaboration with the We Are Spine team.

We look forward to your participation in this knowledge-sharing initiative. Program Agenda is as follows:

■ **Scoliosis - The Current Scenario**

Dr. Sheetal Mohite

■ **Scoliosis Surgery - How We Make it Safe and Effective**

Dr. Premik B. Nagad

■ **Dealing with Socio-Economic Barrier in Scoliosis**

Dr. Shekhar Y. Bhojraj

■ **Challenges of Scoliosis in the Very Young**

Dr. Abhay Nene

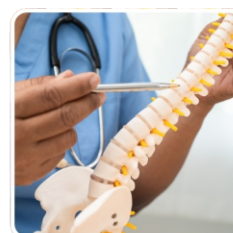

■ **Non-Scoliotic Spinal Deformities - A Different Animal (Post Infective, Post Traumatic) - Dr. Aaditya Kashikar**

■ **Physiotherapy and Rehabilitation in Scoliosis**

Dr. Gaurish Kenkre / Dr. Tapan Shah

■ **Case Discussion**

Dr. Ismail Shaik

Additionally, we welcome your referrals for a **Free Scoliosis Camp scheduled on 5th July.**

This flagship intervention is designed to catch spinal curvature deformities early. For further details and registration, kindly call **7030961249** or Whatsapp **9373350838**.

We look forward to welcoming you for an enriching academic experience.

Warm regards,

Team Healthway Hospital and Team We Are Spine
